## Reminders.....

- \* GAP Club is available for Breakfast Club & After School care if needed. More details can be found at [www.thegapclub.com](http://www.thegapclub.com)
- \* Never park or drop off in the driveway at the front of the school. This is an emergency access point for the school and must not be blocked — even for a few seconds!
- \* If your child requires prescribed medication during the school day, please complete a form at the office and leave the medicine there. **No child should bring medication of any kind into school.**
- \* Younger siblings should not play in the Reception outside area or on the play equipment while waiting at the end of the day.
- \* Water bottles brought to school should be a suitable size for the class carriers, and have a closable lid.

## EYFS

As the children start the last term of their first year in school, we are trying to encourage independence. With this in mind, parents should not be bringing children to class. They need to be left at the gate to make their way to Reception.

## Volunteers

Do you have a spare couple of hours each week? Would you like to get involved in school? If so, why not volunteer to help. DBS application forms can be collected from the office and are very easy to complete. Please ask at the office for more information.

- Remember to check the sign to see if the field is open
- Keep grass on the ground—don't throw it at anyone
- Remember to play safely—no bundling or play fighting
- Listen and respond to the whistle and adult instructions
- Stop promptly and walk quickly to the playground to line up
- Keep the football pitch and the field goal area at the end of the field clear for football
- Try and avoid noisy games near the modular building
- Stay off the Boiler House steps
- Put sunscreen on before you come to school
- Drink plenty of water if it is hot
- Wear a hat if it is hot
